

STATEMENT OF ACCOUNTABILITY
Liability for Harm
Caused by Electromagnetic Exposures

(e.g. from Wifi, radio microphones, wireless meters, mobile and cordless phones)

- 1. I declare that these premises ensure the Health and Safety of all people, including employees, visitors and those especially sensitive to electromagnetic exposures, from wireless devices, such as Wifi, radio microphones, smart meters, internet of things, mobile phones and cordless phones.**

- 2. I declare that the electromagnetic exposures comply with international long-term biological guidelines (e.g. IGNIR, EUROPAEM EMF Guidelines 2016).**
[The ICNIRP guidelines are irrelevant since they concern only heating, not biological, effects and are short-term at 6 or 30 minutes, not long-term.]

- 3. I accept that radio frequency radiation is a class 2B possible human carcinogen, along with chloroform, DDT, engine exhaust and lead.**

- 4. I declare that the liability insurance for these premises includes cover for harm from electromagnetic exposures.**

- 5. I hereby accept liability for any harm or injury caused by man-made electromagnetic exposures in these premises.**
