

ARE YOU AFFECTED BY EMF / WiFi RADIATION? WISE UP! GET THE FACTS!

Do you suffer from a combination of these symptoms? Do you know someone who does?

lack of concentration **flu-like aches and pains**
nagging headaches **fatigue; broken sleep**
increased levels of stress, anxiety and depression

tingling head or "hot ear" when using mobile phone

Or perhaps you are already Electrosensitive or Electrohypersensitive?

What price are we paying for the convenience of mobile phones, tablets and laptops; microwave ovens, baby monitors and smart meters? What price your wellbeing?

DR GEORGE CARLO, PROF OLLE JOHANSSON AND DR DIMITRIS J PANAGOPOULOS
are leading international scientists specialising in EMF.

They will explain the science, the facts and figures, what's real - and what's not:
straight talking about how it is affecting all of us, right now.

**They will arm you with information and impartial, practical advice,
empowering you to make better-informed choices and changes
to improve your future wellbeing.**

Screening of eye-opening 2017 US documentary "Generation Zapped"
Full afternoon masterclass led by these 3 expert speakers
with plenty of time for questions - and answers!

SATURDAY 12th MAY **especially for those already affected by ES / EHS**
SUNDAY 13th MAY **for all those who want to know more**
