LAST POSTING OF PRINT COPY UNLESS WE HAVE HEARD / HEAR FROM YOU
FUTURE PRINT MAILINGS WILL GO ONLY TO THOSE WHO HAVE REPLIED.

The back of the address sheet for the last Newsletter (Spring 2020) explained our gratitude to Brian Stein and Samworth Brothers for financing the printing and postage of the ES-UK Newsletter over many years. However, because of changing circumstances external to the charity, their financial contribution has had to be significantly reduced.

We shall continue to make the Newsletter available as a PDF file by email and also as a printed 'hard' copy by post. Please state your preference on the form below or by emailing: enquirers@es-uk.info. (If you are already on the ES-UK email list, we may not know your name if your email address does not include it.)

For the printed Newsletters instead of, or additional to, email, we ask that either (a) you give £15 or more per year (each Newsletter costs nearly £5 for printing etc), or (b) where you are unable to give £15 (the charity trustees are aware that many of our supporters have lost their jobs, homes and livelihoods, or are on reduced pensions, because of ES) that you fill in the form asking for a printed copy to be sent to you at no cost. We assume that this option will be for people without easy access to computers.

For additional copies we ask for donations of £5 per extra copy.
